#	Enquiries to the Tender		
	Date	Question	Answer
	21-05-2019	<ul style="list-style-type: none"> The delivery time is stated to 3 weeks!! This is not realistic – please let us know if this is a must. 	The Vendor has to Follow what is in tender document. We will sign FWA with supplier/s. Lead time will start after signing PO.
	21-05-2019	<ul style="list-style-type: none"> A validity period of 120 days is not realistic due to the fluctuating price of vehicles in the global market for various reasons. 	The validity period depend on the tender requirement
	21-05-2019	<ul style="list-style-type: none"> There is a difference in the quantities between the “Financial Bid” and the “Technical Bid”. What quantities are correct? 	This tender is for FWA, quantity is not fixed. The qty mentioned is just to give an idea. DRC might buy more then the qty mentioned or less, even buy none based on requirement.
	21-05-2019	<ul style="list-style-type: none"> The parts package is typical “Toyota Gibraltar” part packages. These are really not needed. It will be waste of money, but if it is a must, we can quote for them. 	Please quote as per tender requirement. You can mention price of items separately.
	21-05-2019	<ul style="list-style-type: none"> Wooden antitheft case is also not needed, but we can do it of course, if they insist. 	Please quote as per tender requirement. You can mention price of items separately.
	21-05-2019	<ul style="list-style-type: none"> It is mentioned on the RFQ “strong bull bar” and at the same time “winch bumper”. That would be the same and we therefore assume that we should consider “winch bumper” as the WINCH only. We will offer a winch here. At the same it was stated that you require “skid plate”. A skid plate is part of the bull bar. 	Please quote as per tender requirement. You can mention price of items separately.
	21-05-2019	<ul style="list-style-type: none"> Navigation is mentioned and on the next line GPS is mentioned (together with leather upholstery. We assume that Navigation and GPS should go together. 	Please quote as per tender requirement. You can mention price of items separately. Optional item.
	21-05-2019	<ul style="list-style-type: none"> The upholstery is vinyl for these vehicles. At the same time also asked for seat covers. This is normal for vinyl seats??? 	Please quote as per tender requirement. You can mention price of items separately. Optional item.
	21-05-2019	<ul style="list-style-type: none"> Also asked for a “buggy whip” – what is a buggy whip related to vehicles? Could it be something like below: 	Please quote as per tender requirement. You can mention price of items separately. Optional item.
