Answers/Clarifications	Questions/Answers	SER
<ol style="list-style-type: none"> 1. DRC has an estimated budget for the project; however, we are unable to disclose at this stage as financial proposals are part of the evaluation criteria. 2. DRC has developed audio-visual materials in the past and this can be shared with the successful bidder. For this tender, we are more interested in making reference to audio-visual materials that the consultant has produced in the past. 3. We do not have local partners for this project. We have other INGOs that are implementing partners. The implementing partners are willing to support the successful consultant to achieve the communication deliverables. 4. There are no trips currently planned. The consultant can determine and budget for how many trips will be required to achieve the deliverables of the consultancy. In the TOR, we clarified that the successful consultant should be able to work in Yemen, either directly or through a local partner (another communication company) here in Yemen. 	<ol style="list-style-type: none"> 1. Do you have an estimated budget for the project? 2. Has DRC already developed audiovisual materials and campaigns that you would like us to use as a reference? 3. Regarding the videos intended for local partners, are the testimonies already filmed? If we provide basic instructions (if necessary), are the local partners willing/ in the position to film themselves for this purpose? 4. Could you please confirm that trips within the country are not currently planned? 	1
<p>Consortium partners have existing pictures, and additional ones can be taken upon request. The multipurpose cash assistance distributions for the ECHO Action will continue until 30 June 2023 and photos can be collected within the life cycle of the consultancy.</p>	<p>In reference to tender [DRC/RFP/03102023/CCY/SAH]: Communications and Visibility Consultancy, would you be able to please provide some clarifications on the points below:</p> <ul style="list-style-type: none"> • Do the pictures for the photo-story compendium already exist or do these need to be collected? If the latter, in which governorates of Yemen should these be collected in? 	2

<p>Recipients have been identified, and multipurpose cash assistance is in progress. Consortium partners can assist consultants in identifying beneficiaries for human interest stories, obtaining consent, and planning logistics, among other tasks.</p>	<ul style="list-style-type: none"> For the humanitarian interest stories – have recipients of CCY already been identified for this or would that be part of the scope? 	<p>3</p>
<p>B-Roll is available, but it is from previous short videos produced by Consortium partners. The consultant is expected to plan and execute additional video productions in collaboration with Consortium partners.</p>	<ul style="list-style-type: none"> For the short videos – does B-Roll already exist or would this be content to be collected? 	<p>4</p>
