#	Enquiries to the Tender		
	Date	Question	Answer
1	12/10/2025	<ul style="list-style-type: none">The bid requests a Toyota Troop Carrier and a Toyota Hilux or Isuzu D-Max with a V6 engine or above. However, the only available models are 4-cylinder engines which of course necessarily means higher fuel efficiency and lower carbon emissions. Is the DRC willing to compromise on this spec?	4 cylinder is ok
2	12/10/2025	<ul style="list-style-type: none">The bid requests a Toyota Hilux or Isuzu D-Max with at least 4 airbags. However, models sold in the region typically come with dual front airbags. Would this be acceptable on your part?	Dual air bags are ok.
3	12/10/2025	<ul style="list-style-type: none">Can the bid be segmented to two separate parts, i.e. can we only submit a bid for the 2 pickups? We ask this mainly since we're the official distributors for Isuzu vehicles but not for Toyota, so the warranty and after-sales service for the former will undoubtedly be different than that offered for the latter.	Partial offering is accepted
